

(2) *Excessive expenditures.* If the Commission determines that the national committee or convention committee incurred convention expenses in excess of the limitations under 11 CFR 9008.8(a), it shall notify the national committee of the amount of such excessive expenditures, and the national committee shall pay to the Secretary an amount equal to the amount specified.

(3) *Excessive contributions.* If the Commission determines that the national committee accepted contributions to defray convention expenses which, when added to the amount of payments received, exceeds the expenditure limitation of such party, it shall notify the national committee of the amount of the contributions so accepted, and the national committee shall pay to the Secretary an amount equal to the amount specified.

(4) *Improper usage or documentation.* If the Commission determines that any amount of any payment to the national committee or convention committee under 11 CFR 9008.6(b) was used for any purposes other than the purposes authorized at 11 CFR 9008.7 or was not documented in accordance with 11 CFR 9008.10, it shall notify the national committee of the amount improperly used or documented and the national committee shall pay to the Secretary an amount equal to the amount specified.

(5) *Unspent funds.* (i) If any portion of the payment under 11 CFR 9008.4 remains unspent after all convention expenses have been paid, that portion shall be returned to the Secretary of the Treasury.

(ii) The national committee or convention committee shall make an interim repayment of unspent funds based on the financial position of the committee as of the end of the ninth month following the last day of the convention, allowing for a reasonable amount as determined by the Commission to be withheld for unanticipated contingencies. The interim repayment shall be made no later than 30 calendar days after the end of the ninth month following the last day of the convention. If, after written request by the national committee or convention committee, the Commission deter-

mines, upon review of evidence presented by either committee, that amounts previously refunded are needed to defray convention expenses, the Commission shall certify such amount for payment.

(iii) All unspent funds shall be repaid to the U.S. Treasury no later than 24 months after the last day of the convention, unless the national committee has been granted an extension of time. The Commission may grant any extension of time it deems appropriate upon request of the national committee.

(6) *Income on investments of payments from the Fund.* If the Commission determines that the national committee or the convention committee received any income as a result of investment or other use of payments from the Fund pursuant to 11 CFR 9008.7(a)(5), it shall so notify the committee and the committee shall pay to the United States Treasury an amount equal to the amount determined to be income, less any Federal, State or local taxes on such income.

(7) The Commission may seek repayment, or may initiate an enforcement action, if the convention committee knowingly helps, assists or participates in the making of a convention expenditure by the host committee, government agency or municipal fund that is not in accordance with 11 CFR 9008.52 or 9008.53, or the acceptance of a contribution by the host committee or government agency or municipal fund from an impermissible source.

(c) *Repayment determination procedures.* The Commission will follow the same repayment determination procedures, and the committee has the same rights and obligations as are provided for repayment determinations involving publicly funded candidates under 11 CFR 9007.2 (c) through (h).

§ 9008.15 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR part 9008 will not be routinely granted.

(b) Whenever a committee has a right or is required to take action within a period of time prescribed by 11 CFR part 9008 or by notice given thereunder, the committee may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The committee shall demonstrate in the application for extension that good cause exists for its request.

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a committee that has applied for such extension in a timely manner. The length of time of any extension granted hereunder shall be decided by the Commission and may be less than the amount of time sought by the committee in its application.

(d) If a committee fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by 11 CFR part 9008, the Commission may, on the committee's showing of excusable neglect:
